Today's Message: *THE SCHEDULE OF GRACE*

Text: Luke 8:40-56

Our text gives us an account of a miracle within a miracle.

Jesus is the Sovereign God who can tweak the laws of nature so He can do the supernatural and dispense grace to desperate people.

The story begins with Jairus whose 12-year old daughter was sick to the point of death and implores Jesus to immediately come to his house to perform the miracle of healing. But along the way, a sick woman was miraculously healed.

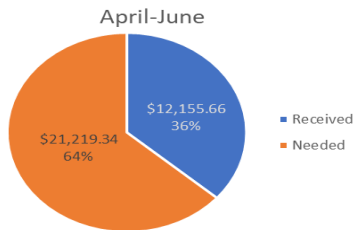

As we focus on the woman, let's look at the progression of events and connect it with Jairus' plight.

GRACE GUIDELINES:

1. Suffering is part of life – but grace gives us hope (2 Corinthians 12:9)
2. There is a personal cost to Christ for every spiritual transaction He makes on our behalf (Isaiah 53:5)
3. Jesus expects a public confession of faith (Romans 10:9-10)

• **Benediction**
