### WHY IS CHURCH MEMBERSHIP NECESSARY? (Part 5)

#### 6. Church membership conforms to the New Covenant pattern.

If we look at the context surrounding Hebrews 10:23-25, we'll see a major emphasis on the New Covenant in Hebrews 10:19-22:

*Therefore, brethren, since we have confidence to enter the holy place by the blood of Jesus, by a new and living way which He inaugurated for us through the veil, that is, His flesh, and since we have a Great Priest over the house of God, let us draw near with a sincere heart in full assurance of faith, having our hearts sprinkled clean from an evil conscience and our bodies washed with pure water.*

We see that God has made a new and living way for us through the sacrifice and priesthood of Jesus Christ. This new and living way is the New Covenant, and as pointed out in Hebrews 10:23-25, one of the graces given us in the New Covenant is church membership. The thinking goes like this: since Jesus Christ has died to make a new way for us, we are to give our entire selves to Him in service and love, which is helped along by church membership. Church membership conforms to the New Covenant pattern.
