## PASTOR'S CORNER

### THE IMPORTANCE OF SUNDAY SCHOOL (Part 2)

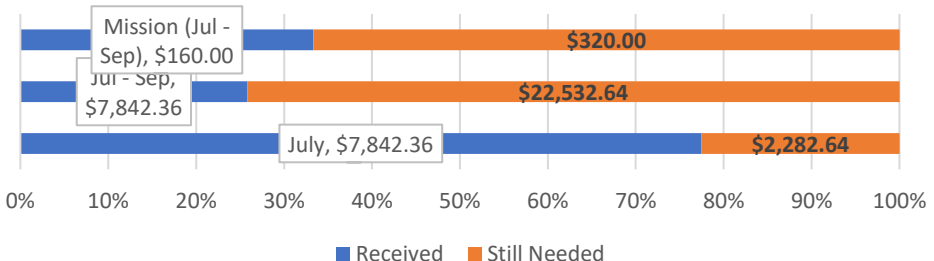

Sunday School is important because it provides additional opportunities in the fellowship for learning.

Visitors, new attendees and other church members can get to know one another better in this setting. People in the community are looking for a real church with real people who care about them. Sunday School provides a great opportunity of developing friendships and trust which tend

to make attendees more committed to the church.

As a pastor, I rely of the Christian Education of “*fill the gap*” in building strong support groups to effectively reach the community. Each class member has an opportunity to ask questions or express their viewpoints. The teachers have the opportunity to teach the Word and explain the direction and vision of the church. Each class is an extension of the church as a whole and is committed to developing a strong body for spiritual growth.
