## PASTOR'S CORNER

We watch closely the news on how the coronavirus or COVID 19 infection is on the rise in Texas and in Harris County. So, it might necessitate another round of quarantine, social distancing and isolation. This can make us all feel that we're on our own. Add health and economic concerns on top of that, and things begin to look bleak.

**But there is hope!** Our Lord Jesus Christ promised that He would be with us always. This is the time for us to practice and apply Philippians 4:6-8 so you can experience first-hand the *"peace that surpasses all understanding"* in this dark times.

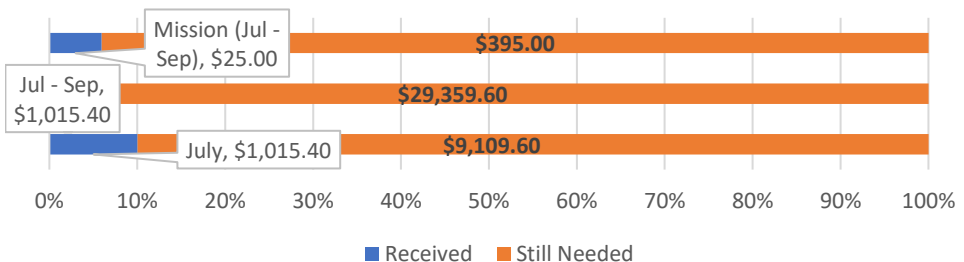

When the pandemic first struck 3 months ago, I borrowed a phrase from another pastor using the **COVID 19** acronym: **C**hrist **O**ver **V**irus & **I**nfectious **D**iseases (Joshua **1:9**). Please look up the reference for yourself and mark it on your Bibles.

There is hope. Christ is greater than the crisis we are facing!
